K1 BLUE LIGHT TOWER

PRODUCT SHEET

Engineered to be a robust, completely wireless communication solution, complete with dusk-to-dawn lighting options, the K1 Blue Light Tower is ideal for enhancing public security on college campuses, parking lots, transit stations, remote bike paths and trails, and anywhere where additional lighting and added safety and security are needed.

Key Features

- » Available in AC or Solar with battery back-up to provide uninterrupted power.
- » Verizon® and AT&T® networked certified voice module
- » The latest 4G certified voice module
- » Weather-proof, tamper-proof steel housing protects the system's electronics insuring reliability and safety to the caller when needed
- » Full Duplex Wireless Calling
- » Highly visible blue LED light positioned on top of the tower provides constant blue light making it easy to locate
- » Faceplate is illuminated when the button is pushed
- » Dusk to dawn area light
- » Call location identifier
- » ADA-compliant
- » Includes CASE's exclusive, self-diagnostic, alarm monitoring system firmware called CASEAlert. The program provides system owners daily email reports on the operational status of their system.
- » Optional multi-button dialing

Additional Options

- » Mass Notification System
- » Integrated Faceplate Camera
- » Dusk to Dawn Area Light
